

Friday 19th March

Dear Year 4 and 5 parents,

Exciting news! Swimming lessons for children in Year 4 and Year 5 start next week, Friday 26th March. The swimming lessons will take place every Friday for the rest of this academic year.

Swimming is a **compulsory** part of the PE curriculum. If your child cannot take part, please inform their class teacher. If your child has a medical reason for not doing swimming for more than one week, we would require some evidence for this.

Your child will need to bring the following, in a **named bag**:

- a costume or trunks
- towel
- swimming cap

No baggy swimming shorts. Swimming caps are available from the school office priced £1. Children do NOT need any toiletries (shampoo, deodorant etc) for health and safety reasons. **No** jewellery is allowed in the pool.

Swimming should be an enjoyable and healthy activity. Please encourage your child to make the most of these lessons.

At this point in time, the baths are only open for school lessons. There will only be children and staff from our school plus the swimming baths staff at the baths. Children and staff will remain in their own bubbles, when traveling to and from the baths.

If you have any questions regarding this, please email info@pinfold-st.walsall.sch.uk and a member of staff will get back to you.

Thank you,

Mr Todd.

PE Coordinator.
