Dear parents

HAPPY HALF TERM

What a half term it has been, but our Pinfold families have been absolutely fantastic. We are so proud of the children who have had to stay at home. They have shown determination to succeed and put in such a lot of effort and focus into continuing their learning at home.

Well done to all of the staff too, despite the challenges they have faced with this term, managing online learning alongside teaching pupils in school. I would like to thank them all for their determination to succeed.

The google face to face sessions have proven to be a great success, providing opportunities for the children to have some social time chatting to their friends, celebrate and share successes and have quality time with their teachers.

Go Team Pinfold!!

Parents' Evening

This term we would like to offer the parents a virtual appointment with the class teachers. We will use the Google Classrooms to conduct these face-to-face sessions.

Each class will have an allocated day for the discussions to take place. There will be appointments throughout the school day up to 4pm and appointments between 6:00pm and 7:00pm.
